

# JOHN WILLIAMS

WEB DESIGNER

## WHY ME?

A confident and creative designer who is self-motivated, self-sufficient and comes to you with a strong background in both print and digital media. John has worked extensively in the automotive and travel industries producing high end business to business and consumer facing designs. He is detail oriented, and has a comprehensive understanding of Photoshop, Indesign, Dreamweaver, Illustrator and the latest web technologies.

Possessing a get it done attitude while not compromising on quality means that he will always maximise the impact of any marketing material. As a hard working and ambitious individual he has no problem following instructions from senior designers and customers. Right now he is looking to join a creative team of designers, and to work for a company that only hires the best.
